

Light Duty Rescues

12'-6" Body Commercial Chassis

Ideal for specialized departments, rapid response, and law enforcement. Slide-out trays hold portable generator and hydraulic tools.

14'-6" Body Commercial Chassis

Plenty of storage space inside and out, plus seating for five crew members in rear.

12'-6" Body Commercial Chassis

Interior seating for crew transport. Tool compartments include a transverse tray, accessible from either side of truck.

Emergency vehicles since 1946.

When only the best will do
